

MUNICIPALITY OF THE DISTRICT OF CLARE

ICE AND SNOW CONTROL POLICY

PURPOSE

1. The Purpose of the Ice and Snow Control Policy (“the Policy”) is to provide a consistent protocol for the control of ice and snow at the Municipal Office, Clare Health Centre, Public Works Buildings, and the Transfer Station. This policy also provides guidelines for clearing of ice and snow that meet Occupational Health and Safety Standards and outlines staff responsibilities.

DEFINITIONS

2. In this Policy:
 - a. “CAO” means the Chief Administrative Officer;
 - b. “Municipality” means Municipality of the District of Clare; and
 - c. “Managers” means:
 - i. The CAO at the Municipal Office
 - ii. The Manager of the Clare Health Centre
 - iii. The Supervisor of the Public Works Buildings
 - iv. The Supervisor of the Transfer Station.

PROTOCOL

3. Walkways, stairs, and entrances.
 - a) Initial clearing and salting of walkways, stairs, and entrances shall be done prior to the arrival of staff members if any ice, or more than ½" of snow is present.
 - b) During operating hours, the Managers, (or a delegate of their choosing) of each location shall be responsible for the monitoring of winter conditions such as snow or ice accumulation, every 30 minutes. This monitoring shall be recorded in the form “Appendix A: Winter Condition Monitoring Form”.
 - c) If snow or ice conditions exist, the Managers shall be responsible to remedy the conditions immediately or contact the appropriate person to get it remedied.

4. Parking lots.

- a) Initial clearing and sanding shall be done prior to the arrival of staff members if any ice, or more than 1" of snow is present.
- b) During operating hours, the Managers of each location shall be responsible for the monitoring of winter conditions and shall contact the person responsible for the clearing and sanding of the parking lots when needed.
- c) During snowfall events or winter conditions, the parking lots shall be monitored every 30 minutes. If any ice, or more than 1" of snow is present, the Managers shall contact the person responsible for plowing to have the parking lot plowed. Monitoring activities shall be recorded in "Appendix A: Winter Condition Monitoring Form".
- d) Icy conditions shall be dealt with within 1 hour of the call being received.
